

This year the Aquathon will be a month-long fundraiser starting on November 1<sup>st</sup>, ending on November 21<sup>st</sup>. Our theme is “The Power of Water: Healing, Strength, Serenity and Joy.” Participants must attend and complete a minimum of 12 aqua aerobics classes within the allotted event duration to receive an event shirt. Registration proceeds will go towards the purchase of new aqua aerobics equipment. In support of our summer Learn to Swim program (youth swimming lessons) participants will have the opportunity to make donations (minimum \$5) at each class/special event. These funds will be used to sponsor enrollment of economically disadvantaged youth. Completed donation cards will be displayed on the LTS donation board for the duration of the Aquathon.

The event fee is \$45.00 and the registration deadline is Friday, October 29<sup>th</sup>, 2021. You may either register over the phone (904-310-3362) or in person with Kaitlyn Rivera at the back of the Atlantic pool area. Once you register you will receive an event bag with the following items:

**Stamp card:** This is how class attendance will be tracked. Each participant is responsible for bringing their card to each class to have it stamped by the lifeguards. Once all 12 punches are completed participants may turn it in to Kaitlyn Rivera to receive their Aquathon shirt.

**Bracelet:** This rubber bracelet is to be worn to each class a participant attends so the lifeguards and instructors know who is authorized to participate in the Aquathon. The bracelet is also your ticket into exclusive pop-up classes and giveaways.

**Special Events Calendar:** This calendar will list unique specialty classes scheduled throughout each week exclusively for Aquathon participants. In addition, participants will find themed days on this calendar such as “crazy hat day” or “50’s music day.” Only the daily themes and occasional pop-up classes will be listed. The special events calendar will not include the regular daily scheduled classes but both regular classes and special events are eligible for a participation stamp.

At registration each participant will be assigned a number. This number will be entered into a drawing for a giveaway each week. Winners do not have to be present to win and will be announced every Monday during the Aquathon via email.

Participants do not need to wait until the end of the month to collect their event shirts. A completed stamp card (12 punches) may be exchanged for an Aquathon shirt at any time. We encourage participants who complete their classes early to continue to attend events and wear their shirts with pride!

The Aquathon finale event will be hosted on November 21<sup>st</sup> 2:30-4:00pm. We will have class, food, giveaways and more!

**Admission to classes and events:** in addition to Aquathon registration, participants must follow established class/event fees.

**Non-pass holders:** non-pass holders must pay \$5 City resident/\$6 non-City resident for each individual class/event attended each day.

**Membership pass holders:** Participants with current membership passes may use them as usual during their visits. If participants decide to attend an additional class in a day outside of their membership, they will be required to pay the daily class fee, \$5/\$6. Individual classes will be tracked on participants' stamp cards.

For example:

- 10-day pass holders can use the pass until 10 classes (or remaining classes) have been attended.
- 1 class/day per month pass holders must pay \$5/\$6 for each additional class that day.
- 2 classes/day per month pass holders must pay \$5/\$6 if choosing to attend a third class that day.

Thank you so much for your participation. We look forward to an exciting month!
