

Parks and Recreation

## Eco tours by Amelia Naturally

*(see schedule for dates)*

**Fees:** \$20/adults, children ages 6-12 years \$10, children under 5 free when accompanied by an adult.  
Register at the City of Fernandina Beach Parks and Recreation Administration Office, 2500 Atlantic Ave.,  
or call 904-310-3350 x 1

**Tour Leader:** Christina Nelson (Amelia Naturally)

### Tour Descriptions (see schedule for offerings):

- **Sunset With the Birds/Egans Creek Greenway**

Explore Egans Creek Greenway as the tide goes out and the sun prepares to set. Learn to identify some of the native wildlife as they feed and prepare for the night.

**Bring:** Binoculars and cameras, comfortable walking shoes, sun and insect protection

**Meeting place:** 2500 Atlantic Ave. (trailhead behind the Atlantic Recreation Center)

**Reservations:** call 904-310-3350 x 1 with payment

- **Beach Exploration/North Beach Park**

Enjoy a guided nature walk along Amelia's beautiful ocean shore. Discover natural treasures along the way as we learn about the beach ecosystem. Shorebirds and sea turtles will also be highlighted.

**Bring:** Bag for collecting beach treasure, sun protection, drinking water (if warm weather), shoes that may get wet

**Meeting Place:** 1230 N. Fletcher Ave. (9<sup>th</sup> Street and North Fletcher)

**Reservations:** call 904-310-3350 x 1 with payment

- **Birds, Butterflies and Blooms/EC Greenway**

Enjoy a guided nature walk along the trails of Egans Creek Greenway. We will seek out plants that attract butterflies and discuss the various lifecycles that we may find. Birds and signs of other animals will also be highlighted.

**Bring:** Binoculars and cameras, comfortable walking shoes, sun and insect protection

**Meeting Place:** 2500 Atlantic Ave. (trailhead behind the Atlantic Recreation Center)

**Reservations:** call 904-310-3350 x 1 with payment

- **Nite Hike/Egans Creek Greenway**

Following a demonstration about night light, the tour will proceed to the north EC Greenway trail towards Citrona Dr., to the Beech St. bridge and back listening for animals (0.3 miles round trip). Infrared flashlights will be used for night vision. Everyone will wear a glow stick for safety purposes.

**Bring:** Binoculars and cameras, insect protection

**Meeting Place:** 2500 Atlantic Ave. (trailhead behind the Atlantic Recreation Center)

**Reservations:** call 904-310-3350 x 1 with payment
